Hi [REDACTED]

I'm out of the office tomorrow, but I've included Stacy Hibbard (Industrial Stormwater Manager) and our Manager Matt Criblez (Environmental Compliance Officer). I'm handing you off to Stacy to schedule a time that works for us to meet.

Subject: Mtg on SoloPower and inspection file

Hi Dan,

It was nice talking with you. As I mentioned on the phone, Susan Elworth suggested I take a look at SoloPower based on recent events and provided me with some of their enforcement documents. I saw the recent BES inspection Nick Cisney did and thought I should understand the full enforcement history from BES' standpoint and maybe take a look at your inspection file. [REDACTED] I'll preemptively apologize if I ask a lot of questions in understanding Portland's permitting program. I'm open Monday the 15th to stop by if both you and your counterpart in the industrial stormwater section are free. If Monday doesn't pan out I'm currently open the week of the 22nd. Thanks!
